**Experience Paris & Honfleur (Burlington's Sister-City) through your 5 senses!**

Bonjour la France!

The Alliance Française of the Lake Champlain Region is inviting YOU to travel to France in September 2019.

**Save the dates:** Monday September 2<sup>nd</sup> to Monday September 9<sup>th</sup> 2019.

September is the best time to travel in France! Crowds are few and temps are beautiful.

Whether it is for romanticism, history, indulgence, or artistic inspiration, our Paris/Honfleur journey is a perfect destination for discovering a bit of France, its lifestyle and traditions !

Once you arrive in Paris, you will be invited to experience the City of Light through all the senses: you will marvel at soaring landmarks that Paris has to offer, explore charming neighborhoods, inspire your creative side through art museums and smaller galleries, taste amazing French fares and also sit at sidewalk cafés to enjoy watching the Parisians do their thing.

Then, that weekend you will have the special experience of a home-stay with a family from Burlington's Sister-City Honfleur. Honfleur is less than 3-hour shuttle ride from Paris. This small size city (8000 inhabitants) is especially known for for its old, beautiful picturesque port, characterized by its houses with slate-covered frontages, painted many times by artists, including Claude Monet. You might want to learn also that in 1608, an expedition left Honfleur for Canada organized by Samuel de Champlain - known as “The Father of New France” and founder of Quebec City.

***What is special about our journey:***

- *This is a special offer to all members of the Alliance Française (we welcome new members!)*
- *An 8-day French experience with travelers who have a passion in common: a love for French and France!*
- *Small group sizes—we want you to feel like a traveler, not a tourist (14 travelers maximum)*
- *Our Paris stay is planned and organized by Educational Travel Services, a professional travel company whose focus is to organize educational group tours including opportunities for cultural engagement and learning, and with the collaboration of Your French Connection, who will bring a focus on French language learning (at all levels) through travel. PS: you don't need to speak French to enjoy this trip (our Paris escort and chaperones are bilingual)*
- *Weekend home-stay experience with a family in Honfleur—Burlington's sister city since 2012. Burlington has enjoyed a*

*relationship with Honfleur since 2009, which makes 2019 the 10<sup>th</sup> anniversary of our special connection.*

*During this home-stay you'll experience France in a cultural way that standard tours can't deliver and most tourists won't experience*
